<i>Veneto, Italy</i>	Canella Prosecco Superiore di Conegliano 2014

The Coravin™ wine preservation system has allowed us the opportunity to bring you a sample of exceptional wines by the glass. It works by inserting a needle through the cork which allows us to access the wine without opening the bottle and exposing it to air. The gas is used to displace the wine, which keeps the rest of the bottle in pristine condition.

# Summer of Riesling & Rosé

During this summer, Donovans will be featuring some of the best Rieslings and Rosés from all over the world.

**Riesling** - Like that of most other grape varieties, the origin of Riesling is not clearcut. There are numerous mentions of the grape. Some viticultural historians credit King Louis the German 843–876 AD as the first to plant Riesling along the Rhine.

**Rosé** - The first vineyards planted in France were in Provence. The ancient Greeks (traders from the city of Phocaea) brought vines to southern France around 600 BC, when they founded the city of Marseille. In the 2,600 years since, winemaking has become central to the local way of life.
